

Chamber Music by the River

About CMR.....

The Chamber Music by the River program offers a unique experience for musicians to rehearse, learn and perform in an unforgettable musical experience. *CMR* is dedicated to creating a nurturing and supportive environment for musicians to study their craft, perform publicly and enjoy fellowship with each other against the beautiful backdrop of the Connecticut River. Participants play in both small ensembles (quintets or smaller) as well as larger ensembles (decets or larger).
